GRID FRUSTRATION

13 GRIZZLY SENIORS PROVIDE LEADERSHIP FOR FOOTBALL PROGRAM

Hoquiam (34) Yelm (6)

Season opener is held and intense firepower is demonstrated by the Grizzlies. The offense appears strong, with senior quarterback **Jeff Fairchild** running in on a 33 yarder. Other scorers include seniors **Dan Kahn, Duane Mefford** and juniors **Ron Briscoe** and **Mike Pirianan.**

Hoquiam (7) Timberline (10)

The T-Birds go to the air to edge the Grizzlies. Hoquiam's one touchdown comes on a 9 yard pass from **Fairchild** to senior **Marshall Koukal** for **Koukal's** first varsity score. Senior **Todd Hubble** dislocates his elbow and is lost for the majority of the season.

Hoquiam (29) Capital (21)

Fairchild ignites H.H.S. to upset Capital with a 74 yard run. Others to hit the pay dirt include sophomore **Todd Hoiness** and **Kahn** with two touchdowns. Senior **Bob Lutz** supplies good receiving for the night. Senior **Mark Morris** gets a safety by tackling Capital's Doug Galloway in the end zone.

Hoquiam (21) North Thurston (0)

Grizzlies have third victory in four outings. Touchdowns by **Pirianian, Lutz** and **Koukal** add to the 240-100 total offense margin enjoyed by Hoquiam. Sophomore **Earl Bakotich** kicks a 29 yard field goal.

Hoquiam (7) Olympia (28)

Top ranked powerhouse Olympia is too much for the Redmen. **Fairchild** goes to the air to hit receivers on 6 of 14 passes for 95 yards. The lone Grizzly touchdown comes on a **Fairchild-Koukal** connection for a 30 yard touchdown play.

Hoquiam (7) Aberdeen (20)

The 78th meeting between Washington state's oldest rivalties becomes cheerless for the Hoquiam Grizzlies. Senior **Marshall Koukal** intercepts late in the third quarter before losing it to the Bobcats moments later. On the last play of the game, fans find something to cheer about as reserve quarterback **Tracy Teague** hits **Koukal** with a 33 yard touchdown pass. **Bakotich** makes the conversion. Senior **Dan Kahn** plays an exceptional defensive game along with junior **Larry Gladsjo** and **Koukal.**

Hoquiam (0) Tumwater (27)

Hoquiam is clobbered in the season finale by Tumwater. Junior **Mike Pirianian** is the leading ball carrier with 28 yards on 6 carries.

J.V.'S LOCK TOWARD IMPROVEMENTS

The JV football team doesn't have the best record but grows through experiences. **Coach Elway** says, "We have a lot of kids but most of them have little playing experience. In their only win they beat Yelm 7-0. **Steve Morgan** and **Earl Bakotich** are the outstanding backs while **Brad Spradlin, Jim Gaddis, Hoss McElliott, Greg Whitchurch** and **Ed Skinner** are outstanding linemen.

FROSH FIGHT FAILS

The 1982 Freshmen football team starts the season with a victory over Yelm. Our next three games are not our best, with losses to Capital, North Thurston and Elma. Then the freshmen come back with a win over Tumwater. Our last game, against rival Aberdeen, is miserable. The rain is blowing sideways; the players are cold and wet, but they never give up. We play as hard as we can, but lose 6-0. Even though we don't have an impressive record. We have a lot of fun playing.

▲ Watch Out, the 'sin-bin' is rolling down the streets of Hoquiam.

HOMECOMING PROMOTES SPIRIT

Beginning the Homecoming week, all four classes decorate their appropriate buildings. The senior class show style as they use their senior night theme of the Blues Brothers to win them an undisputed first place. Other competitions include a tug-o-war, class skits, and a float competition by the week's end. The juniors come in second and the freshmen come in third. Punk day proves to be most popular of the dress up days. Blue hair, far-out make-up and mini-skirts are the hits of the week. Other days are 50's day, shades and hat day, athletes day, and the traditional crimson and gray day. Ending the fun-spirited week is the homecoming dance, "This Time Forever."

▲ Maria Moe is all decked out for the ever popular punk day.

▲ The Freshmen prepare for the Homecoming Parade. They take fourth in the competition.

▲ Kirsten Olsen and Tom Smiley take a break from their twistin' to ham it up for the camera.

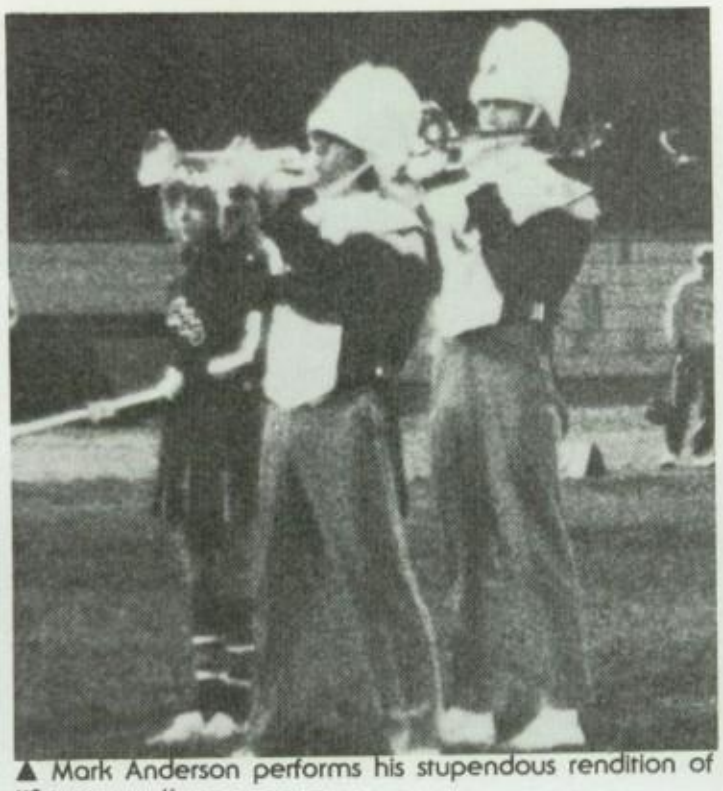
ETTE'S MARCH ON

A lot of things are put together to make up Hoquiam High School. One of the most important of these groups is the Grizzlyettes. Performing at the Friday night football and basketball games, in the Loggers Playday Parade, at the Kingdome and at state, the Grizzlyettes do a terrific job of representing our school. Led this year by captain **Joan Chapin** and co-captain **Carrie Chorba,** each of the girls put a lot of time and effort into being a member of the Grizzlyettes.

▼ Dave Pentt, Jerry Renville and Duane Henson march to "Strike Force" in Logger's Playday.



▲ Mark Anderson performs his stupendous rendition of "Superman."

▼ Our very own flags.

BAND MEMBERS DO IT IN TUNE

The band starts their season of marching in August at Lake Panhandle 4-H camp. The 4 days start each morning at 8:30 with warm-up exercises to "We Got the Beat." Then there are 6 grueling hours of marching on a very uneven football field, to learn our routine to "Strike Force" for Loggers Playday. 3 hours every night are spent perfecting our musical talents. The hard work pays off as we place 1st in our division in the parade.

But our job is not yet done. Oh No! Next comes weeks and weeks of practice for Kingbowl VI. This competition takes place in the Kingdome.

The rain pours and the puddles acculumate but we are determined to go on. The mud is deeper; we lose our shoes in it, but time is precious, December 4th gets closer every day.

After putting in over 180 hours of marching we are on the bus to the Kingdome. We check in and begin our journey to the 300 level. Many hours pass until it is our time to perform. Finally we are in the tunnel. We are called to attention and begin onto the edge of the field. Our 1 minute countdown begins. Everyone is tense and ready. Drum Major **Rick Moyer** calls us to attention. The crowd is in a sudden state of awe. We perform our routine almost flawlessly and return to the 300 to await the judge's decision. Finally over the P.A. system our division is announced. We receive a 1, which is Superior, along with 4 other bands. And the winter is . . . FERNDALE!! OOPS! Well there is always next year and of course the Grizzly Marching Band will certainly be ready.

As Hoquiam may have been anxiously awaiting the rivalry football game between Aberdeen and Hoquiam on Thanksgiving Day, students at HHS now anxiously await weigh-ins of the 2nd annual football game. It all began last year when KDUX started up the Turkey Day rivalry. Competition started November 9th when students knocked on the doors of Grays Harbor homes asking for food donations. The competition consists of four weigh-ins which Hoquiam dominated. Over $2,300 was collected just in money donations from Grays Harbor businesses. Coached by ASB president **Kari Wetzel**, the school, as a whole, collected 53,398 pounds to the Bobcats 41,531 pounds. All in all, the community gained as Hoquiam students received satisfaction from winning the football rivalry.

GRIZZLIES COMPILE WINNING SEASON

When this team's Seniors played Frosh hoop and made a victorious debut at H.H.S., they set some high goals for the 1983 season. Working their way through three seasons of ball, it all came together this year. Now, with an outstanding season well under way, six seniors lead six juniors out on the court. This team works well together, especially under pressure. A few memorable games include a well-earned win over reigning state champions Aberdeen and a win over state ranked Olympia to decide the leader in the Black Hills League. Along with a winning season comes an obvious increase in fans. Crowds reach a high of 1600 and follow the Grizzlies to away games in cheering throngs. With the exciting play to be seen, loyal fans can always find something to cheer about. The Grizzlies have plenty of help with their winning season from manager **Jeff Lacey** and statisticians **Michele Weber, Janna Griffin** and **Martha Cook.** Now this year's Seniors Grizzlies keep their goal of State in mind and shoot for the crown. With the depth and speed the Grizzlies possess, they are sure to close out with a shining season.

STARS OF '83 COME ALIVE

The stars of 1983 come of age. Four juniors play on the 1981-82 team hat make their way to the district play-offs. Now those same four provide the leadership and seasoned play that the Varsity Boys' Basketball team need this year. **Ken Furu, Jay Brewer, Marshall Koukal** and **Tim Beyer** spark thei team to an extremely successful season. These young men pave a path to success for the '83 season and leave the road open for next year's stars of 1984.

The 1983 JV's under the coaching of **Steve Arthaud** put in a strong effort throughout the year. The team surprises a great deal of the grizzly fans and shows much excitement for next year's success.

Under the coaching of **Keith Reynvaan,** the Hoquiam frosh start out good and end slow. Although the team lacks height they make up for it in new found skill and speed. This year's frosh team shows much promise in their future grizzly years.

TAKEDOWN!

This year in wrestling before the league season started there were two people on the wrestling team who won three tournament titles, **Gary Wayman** at the 108 pound class, and **Tom Perrine** at the 141 pound division. At the 101 pound class freshmen **Rich Wagoner** didn't have the best record, but did have a good time learning more moves. Wrestling at 115 for Hoquiam was **Scott Green,** a four year letterman with a 9-0 record in league who took the Hoquiam Invitational title. At 122 **Rodney Karnath** didn't do great but with a win against **Ken Kellogg** he was seeded higher for the District Tournament. Wrestling at 129, **Mike Nielson** had one of the best pin records on the team. At the 135 pound class was **Bob Lewis** who wrestled very well but always lost by one or two points every march but later on in the year worked on his takedowns which helped him a lot. **Rod Anderson** who wrestled 158, learned how to wrestle with his legs which helped him greatly toward the end of the year. Then there is Sophomore **Todd Hoiness** "mask and all" who did very well using his quickness against his opponents. At 178 **Brian Lenius** used his Lateral Drop almost all of the time. Wrestling 190 for Hoquiam is senior **Bill Bingham** who was out for most of the year with a shoulder injury and came back against Aberdeen to win his comeback match. The Heavyweight for Hoquiam is **Larry Gladsjo** a junior who has a lot of potential as a wrestler. Another great help for the Grizzlies is 148 pounder **Shane Larson** who uses his spectacular throws to keep him in matches.

Hoquiam plans on having many tankers in post-season action this year. Swimmers reaching districts this year are **Fredric Hansen, Derek Cook, Kurt Swaney, Alan Raub, Greg Ballew, Jon Allison, Kevin Bradshaw, David Haynes,** and **Vance Adderley. Haynes** and **Adderley** also qualify for state. Next year's swim team holds much promise.

GIRLS CONTINUE VICTORIES FROM 20-5 RECORD

The Grizzly girls' basketball team did things in their first season under Coach **Ed Dawson** that had never been done before. Records were shattered, teams beaten that Grizzly girls have never had a win over before, a trip to state, and most importantly, the girls had a lesson in *winning*. This winning attitude is carried over into the 1982-1983 season and once again the girls are having a superb year. But being successful doesn't come without paying a price. Sacrifices include putting in time at practices and on your own. Most importantly, togetherness gives this team its victories. Its 6:00 A.M. practices and a coach determined to push every member on this team to her limit that creates a great group. Now in their second season under **Dawson** this team is reaping the benefits of hard work with a record of beating all Black Hills teams except Olympic thus far. There is no stopping the girls as they anticipate the State Tournament.

Girls' Council Has Enthusiasm

Girls' Council is a very active club for motivated girls. They earn money by selling things at concession stands during school games. They are involved in activities all year. These activities involve putting on the Valentine's Dance, taking care of the procedures involving the autographed football during Homecoming Week, selling Heart candy-grams, picking class sweethearts, picking Girl of the Month and putting on the Mother's Day Tea. Mother's Day Tea is the most important event for Girls' Council. The club works hard all year for the preparation of the Mother's Day Tea. All profits the club makes are put into use for the Tea. After the class has chosen 3 candidates the faculty narrows it down to 1 winner, in this case **Keri.** Then **Keri** filled out an application (a tough one at that, it took 10 hours) which qualified her for a 00 prize. Besides that she had two hours to write an S.A. on "Our American Heritage." **Keri** also attended a tea. **Keri** summed up her achievement as "really nice. It took lots of time but it was well worth it."

FRESHMEN OF 1986

Our class of 1986 starts off the year with enthusiasm. Showing consistency we placed 4th in all the Homecoming events. Although we weren't exactly on top, we pulled together and made an effort.

Homecoming Week proves exciting for our first high school year as many of our classmates get involved in the different days, with 50's Day and Punk Day proving to be the most popular.

Class officers keep busy with many long hours of planning and preparing for our first Homecoming Week and we are looking forward to next year.

FROSH DAY FROLICS

Frosh Day is a day when the seniors get revenge on the newcomers, the freshmen. It is a day when the freshmen are accepted into Hoquiam High School. This year the ten most wanted freshmen were chosen to be auctioned off on Monday, September 13th. Frosh Day was the next day Tuesday, September 14th. All the freshmen were dressed up ridiculously funny. They were also forced to do some pretty embarassing things like sing in front of everybody or eat licorice with another frosh. Some even had to push pennies across the Student Center floor with their noses. It was a wild and crazy day and one we will always remember . . .

A SUPER SOPHOMORE YEAR IS SPARKED BY SENSATIONAL SPIRIT

The sophomores pull together and make the year our best ever. The sophomore class really gets involved in Homecoming Week and ties for first place with the seniors. Some of the things the sophomore class plan to do this year to raise money are have a car wash, a dance and sell class shirts. The sophomores are striving to be the best and, of course, they will make it.

SOPHOMORES RECEIVE A NEW AND INTERESTING STUDENT

Hoquiam High School received a new sophomore from Norway. **Fredric Hansen** came to the United States just for a summer vacation but liked it here so much that he decided to stay for the 1982 and 83 school year. **Fredric** is staying with **David Haynes** and his family. **Fredric** was born in New York but has lived in Norway all of his life. He spends most of his time swimming and has given our team a lot of his time and effort. He has never played baseball before but plans to turn out this summer. He enjoys our school and says the kids are a lot more considerate than in Norway. We enjoy having **Fredric Hansen** as a part of our sophomore class.

SOPHOMORES

The sophomore class ties for first place during Homecoming with the seniors. We win the tug of war contest, the float contest and the skit competition. "SPIRIT," THAT'S OUR MIDDLE NAME

Juniors are a great class this year. We are a class with a lot of spirit.

With the return of the spirit stick this year the juniors are not letting other classes show them up. We are winning the spirit stick more than ever before.

The Food Drive is a good event for the juniors. This year we are really pulling together and putting forth a good effort, which plays a part in letting the Hoquiam Grizzlies beat the Aberdeen Bobcats.

Homecoming week is another time when our junior class shows our stuff. Although we come in third in hall decorations with the theme "Come on along with 84," we won't let it stop our spirit from growing.

This year is successful and all we achieve as a class is accomplished with the hard work of our class officers. **Kelly Bloomingdale** is doing a good job as our president. **Veronica Brakus,** serving as our Vice-President, helps out a lot. **Carmen Brewer,** our secretary, handles class finances. Together they make it one our best years we've had so far. They do many things for our class like getting our class shirts. **Ed Skinner,** yell duke, puts in his effort and boosts our spirits at pep assemblies.

gdale, Vice-Pres. Veronica Brakus, Sec. Carmen Brewer.

JUNIORS PLAN AWESOME YEAR

The Junior class is doing a tremendous job this year. We are planning things that will involve everyone.

We feel that we can do anything if people would just get in and do it. Our class will accomplish the impossible, we have a lot of faith in ourselves and in our great leaders.

We are more involved this year because our high school years our coming to an end. We don't want to leave our school with the feeling that we were nobody. We want to leave it with pride knowing we have done our best.

We are JUNIORS and nobody will forget us, because the class of 1984 lives on.

High school is the best time of our life. As seniors we have captured four wonderful years of memories. Memories of frosh day and dancing around in the middle of the gym chanting "Seniors are great" make it seem like it was only yesterday. We were kinda shy when we approached the big high school life. We showed the seniors the courtesy they deserved and we felt proud to be grizzly freshman. We had a large class and showed spirit like no one else had ever seen. Then we moved on . . . we grew older and became a little more mature.

We experienced hard classes as sophomores. The class really got into the grizzly lifestyle. Total involvement, on part of the sophomores, was shown. We noticed some athletic stand-outs that year. We saw the class of '81 graduate then we moved on . . . we grew old and became a little more mature.

The school may have lost a bit of spirit but the junior class tried to keep it alive within the school. We proved it by winning overall competition during Homecoming week. We started to prepare for our "big year" by electing ASB and class officers. Then, finally we made "The big move" . . . we grew older and mature.

Well, here we are, Seniors. Some of us thought we'd probably never make it to this year, but we did it. We won't ever forget the highlights of the year.

Senior night came upon us almost too quickly. But when the night of October 13 came we were ready. They say it was one of the best senior nights yet. The class grew closer as we "shook our tailfeathers" together. And a tear was shown when we lined up for our final number "Happy Trails."

We took a great part in some outstanding pep assemblies. The assembly for the Aberdeen/Hoquiam football game proved to be one of them. We saw an awesome display of spirit as senior class president, *Allen Knight,* read all the senior football players names. We were so pumped!

But now, it is time for us, the class of '83, to prepare for our future. Graduation is here. We *have* matured through the experiences of high school and we appreciate all that has been done for us. This is a turning point in our lives. We shall all separate now. But we will not leave Hoquiam High School with nothing. We shall leave here with Grizzly-Pride and Spirit. We will never forget the friends we have made along the way, whether it's our classmates or our teachers. We won't forget Hoquiam High School . . . these were the best times of our life . . . and Hoquiam High School will never forget us, the awesome class of 1983.

Man and nature work together in High Yield Forestry!

Our High Yield Forestry works with Mother Nature to provide products, offer recreational opportunity, ensure wildlife habitat, protect watersheds and return oxygen to the atmosphere.

This year every man, woman, and child will use the equivalent of a 100-foot tree — for building materials, paper, packaging and other products made from wood and wood fiber.

Because trees are renewable, the nation's needs can continue to be met.

Through research, fertilization and thinning, our High Yield Forestry helps nature increase its output. And by planting more than 150 million seedlings and seeding thousands of acres annually, we help make sure the resource will be renewed for the future.

"It was the worst of times.
It was the best of times."

Never has it been more so. And never has there been a more challenging time with more problems . . . or more opportunities. A successful future belongs to those who are willing to learn, innovate and serve.

It also comes to those who make a place for themselves, like Lamb-Grays Harbor Co. has done in our community since 1903.

"Best wishes for success" to the Senior Class of 1983 from Lamb, where the future is forged from young ideas tempered with experience.

Always remember . . .High school days are the kind of days that always seem to stay in that part of the mind that keeps the good thoughts tucked away. Days that float by and days that speed past both blend into weeks, and months, and years . . . where does all the time go?

Time is spent on studying and sport, learning and laughing, friendships anc frustrations, meetings and misunderstandings, gossiping and growing.

High school is a place to meet people and call them friends, sometimes forever; a place to be sociable. It's an atmosphere, a feeling of special moments. High school is a great opportunity and challenge. It's the place to take a chance and get involved, run for an office, turn out for a team, excel in schoolwork, or dare to reach out and grow.

It's four of the best years in life spent in a unique surrounding called Hoquiam High School.

It's GRIZZLY PRIDE . . . never forget.

Juli Reynvaan

Michele Weber
